Voksi® Honeycomb knit

NEW
COLORS

This extremely soft and comfortable wool type is made with 100% merino wool. The knit type makes the style delicate, and it is important to tell the end user how best to look after the products. For example: If a thread comes loose, just pull it to the inside of the garment and the style still looks nice.

VOKSI® SWEATER HONEYCOMB

Voksi® Sweater Honeycomb knitted in soft merino wool.
Close the sweater from the side, makes it easier to take on and off.
